

Rural Mental Health Associates

We are seeking to add a licensed clinician to provide confidential psychotherapy services for a variety of presenting problems and diagnoses. Clinicians who have interest, experience, and training working with children and families are strongly encouraged to apply.

Applicants are required to hold licensure in the state of Pennsylvania as an LPC, LMFT, LCSW, or Licensed Psychologist. Applicants who possess an NPI number, are registered with CAQH, and are credentialed with insurance companies are preferred.

Interested applicants must submit a resume with a cover letter to RMHA 19 East Front Street, Oil City, PA 16301. References are requested, but not required.
