

VIDEO SPONSORSHIP FORM

The Goal of “Manufacturing in Venango”

The “Manufacturing in Venango” video is crafted to elevate awareness of our county’s dynamic manufacturing landscape, emphasizing the role it plays in creating economic opportunities and upward mobility for individuals and the community. This project will celebrate the products made in Venango and highlight the value of manufacturing in supporting local families, enhancing skills, and strengthening our regional economy.

This video will share the stories of local manufacturers, their contributions to economic vitality, and the pride that comes with making something that matters. By sponsoring this project, you’ll be part of promoting Venango County as a place where individuals and businesses can grow, achieve, and contribute to a thriving, forward-looking community. Releasing Spring 2025.
